

**Certificate of Trade/Service Mark Registration**

**Registration No. : 911343**

International Registration No.	911343
International Registration Date	May 24, 2006
Korean Registration Date	August 22, 2008

Registrant: TEDOM s.r.o.  
Výčapy 195  
CZ-674 01 Třebíč  
Czech Republic

Designated Goods/Services & Classes : See Attachment

Trade/Service Mark :

**TEDOM**

This is to certify that the Trade/Service Mark is registered on the Register of the Korean Intellectual Property Office.

August 22, 2008

**Commissioner, The Korean Intellectual Property Office**

ATTACHMENT

Int'l Class : 7

Power generators for starters for motors and engines; generators of electricity; direct current generators (DC generators); alternating current generators (AC generators); emergency power generators; motors, particularly for land vehicles; control mechanisms for machines, engines or motors; pumps (machinery); apparatus for power generation; heat exchangers (machinery parts) for engines other than for land vehicles; pumps for energy equipment; heat supply and power generation apparatus.

Int'l Class : 11

Apparatus and installations for air cooling; apparatus and installations for cooling and parts thereof; apparatus and installations for steam generation and parts thereof; heat generating apparatus (combined with cold and power generation), cold generating apparatus (combined with heat and power generation), heat and cold generating apparatus for automobiles (combined with power generation), heat and cold generating apparatus for ships (combined with power generation), heat and cold generating apparatus for railway cars (combined with power generation), heat and cold generating apparatus for air vehicles (combined with power generation); heat exchangers not part of machines, heat accumulators, heat regenerators, water heating apparatus, electric heating apparatus, heating dampers, heating boilers.

Int'l Class : 12

Buses, automobile bodies, motor vehicles, parts and accessories of motor vehicles, power machines for land vehicles, power transmission devices for land vehicles, motors for land vehicles.

Int'l Class : 37

Vehicle maintenance, information providing services relating to vehicle maintenance, advisory services relating to vehicle maintenance, vehicle repair, repair of industrial machine parts; repair of heaters, heat insulation work, heating equipment installation and repair, repair of heating systems; installation of heat supply and power generation apparatus.

Int'l Class : 40

Production of electricity energy, production of heat energy, production of cold energy; combustion of waste gas originating from municipal waste dumps; machine processing, machine parts processing, metal parts processing, automobile parts processing.

Int'l Class : 42

Research and development of motors, particularly for land vehicles; research and development of thermal energy systems; mechanical engineering research, engineering research, automobile technology research, automobile parts research, advisory services relating to energy efficiency, professional consultancy services relating to energy efficiency of buildings.
